It is my complaint that I reside at above mentioned address. My deceased daughter Shrimati Dhani aged about 13/14 years was at fourth number in my children. On 07-04-2011 I was present at my house, my husband had gone to his relatives near Bhatti Hotel and I sent my daughter Dhani to agriculture land near home for taking ladyfingers. It was morning time about 8:00am my daughter Dhani came at house while shouting and informed that two persons namely Nasho S/o Bhoora Kohli and Ranji S/o Shamo Bheed have forcibly rapped me in Banana Crop by giving poison. She became unconscious while stating the facts. I informed about the incident to Jairam S/o Poonjo Bheel and after arranging transport we proceeded to hospital. On the way, her mouth was closed and in the hospital she expired. We have took her back to village, where Munshi Raja Magwar was informed and he was asked to intimate police. He suggested / advised for burial of dead body and promised for justice within three days by Panchait. He adjourned ^{one} pretext to other, we also went to landlord Maqsood Qaimkhani but he did not help us. We protested the issue and now have come for report. Action may be taken against accused persons Nasho Kohli and Ranjee Bheed for conducting rape with my daughter Dhani and have murdered by giving poison to her.

NOTE: Report of Complainant write carefully & repeated who acknowledges her report & signed on the report.
